Call first to see if space is available.*

Furniture must be approved by Floor Supervisor before being consigned.

I have carefully inspected the following items and found them to be of "gift quality," excellent condition, very clean, polished if appropriate, and **READY FOR SALE**. If store personnel find items to be unacceptable for any of the above reasons, they will be considered a donation to the store. These items might be repaired, refurbished, or cleaned, and then put out on the sales floor as a store item. After 30 days, any unsold items become the property of R&R. We cannot be responsible for theft or damage of consignments.
